Resident Mission at Sarajevo

*174. SHRI EDUARDO FALEIRO: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) what steps have been taken to set up a Resident Mission at Sarajevo (Bosnia);

(b) what steps have been taken or are proposed to be taken to strengthen economic relations with Bosnia; and

(c) what other steps have been taken/are being taken to strengthen our relations with that country?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI JASWANT SINGH): (a) India recognised Bosnia and Herzegovina (BH) in May 1992. Diplomatic relations between India and BH were established in June 1992 and our Mission in Budapest (Hungary) was concurrently accredited to BH. For the present, the Government of India intend to continue with this arrangement.

(b) and (c) India's relations with Bosnia and Herzegovina are cordial, warm and friendly. India has welcomed the restoration of normalcy and the strengthening of democratic processes in BH. Political dialogue with the leadership and the Government of BH was held recently when our Ambassador presented her credentials in Sarajevo on October 12, 1999. An invitation is pending for the visit to India by the Foreign Minister of BH. India has contributed more than 350 civilian police observers for an International Police Task Force in BH and presently 102 of these officers are stationed there. A draft Agreement on Cooperation in Culture, Science and Sports between India and BH has been handed over to the BH Government for consideration. Pending this, visits of cultural troups to BH are being supported and an Indo-BH Firendship Association in Sarajevo is being set up.

Several steps are under consideration for strengthening economic relations with BH. These include the conclusion of various Inter Governmental Agreements. A draft text of Trade and Economic Cooperation Agreement has been handed over to the BH Government. Our Embassy is conducting a study of thrust sectors for export and import. Revival of some Indo-BH joint venture is being looked into. Possible visits of trade delegations are being considered. Technical Cooperation under India's ITEC programme is also being offered to BH nominees.
